

Rules

- Helmets and seat belts must be worn
- You may bump one tire class, per tire size.
(Example- If you have 33 inch tires you can run class A and bump to class B.)
- No Alcohol in the pits if caught you will be asked to leave without refund
- No hot rodding in pits
- Keep main runways open
- When your class is running pay attention to the order and be ready to make your run. You will be given 3 minutes after your number has been called to get to the start line. If you are not ready you will be disqualified without refund.
- Class numbers do not go in order so be ready! (Example- It could skip from A10 to A15, so listen to the line up.)
- Same driver can only run in the same class once
- If you break before your run you may be entitled to a refund, but if your truck has made a run and breaks there are no refunds for the remaining runs
- Penalty stakes are worth 2 seconds each if you hit them
- If you get stuck dont sit there and dig a hole, and you hook up your own truck
- If you come out of the race course at any time, shut down immediatly
- After you cross the finish line shut it down, the shut down area if very short
- No nitros, bottle must be unhooked
- Clean off your truck in the hose off area. You will not be allowed in the streets if it has not been washed off
- Must be 16 years of age in the pits
- No pets
- Have fun and be safe!
